THE 2015 CADILLAC XT5
EAGLE ULTIMATE®

CADILLAC
PROFESSIONAL VEHICLES
BY EAGLE COACH COMPANY

THE 2015 CADILLAC XTS EAGLE ULTIMATE®

As its name implies, the Ultimate is designed to include the most sought-after features in the professional vehicle industry.

Eagle Coach Company has engineered a traditional and distinctive coach on the all-new 2015 Cadillac XTS chassis to be the ultimate in size, quality, dependability and safety, providing funeral directors with a worry-free ownership experience.

The exterior of the 2015 Cadillac XTS Ultimate features a full-vinyl top, chrome-plated coach lamps and landau bars, "B" pillar chrome moldings, 50-inch side doors for easy access to the church truck compartment, and body lines that blend perfectly with the base XTS chassis.

Inside the coach you'll find a beautifully-appointed casket compartment that measures 115" long, 41.5" wide and 38" tall. The XTS Ultimate also includes a standard integrated Urn Enclave, an Extend-A-Sill, and much more.

Two-tiered wheel well covers, with wood grain laminate ledge boards and bright aluminum trim, add elegance and sophistication to the rear casket compartment.

The exclusive Urn Enclave comes standard on the Ultimate and is integrated into the casket floor.

A full-size, under-floor church truck storage compartment, with easy-access door, is standard.

Cadillac once again exceeds the elegance you have come to expect from the industry's luxury leader; XTS features the Cadillac User Experience (CUE).

Two 90-degree rollers, a chrome-plated Extend-A-Sill, and a quick-release bier pin complement the exquisite interior.
