THE EAGLE MKT KINGSLEY®

LINCOLN
PROFESSIONAL VEHICLES
BY EAGLE COACH COMPANY

THE EAGLE MKT KINGSLEY®

While dimensionally identical to the MKT Icon, The Eagle Lincoln MKT Kingsley is more traditional in appearance, featuring a full vinyl top.

It is built on the Lincoln MKT coachbuilder chassis and features all-wheel-drive, a 3.7L V6 engine, Navigation, rear view back-up camera, and much more. Inside, the MKT Kingsley is equipped with decorative side panels, a rear carpet bumper protector, OEM style interior fabrics, and a spacious casket compartment measuring 122" long by 42.5" wide. The MKT Kingsley also comes standard with the Vista skylight, and can be ordered with an available integrated or portable urn enclave.

The Lincoln MKT Eagle Kingsley is a competitively-priced, finely-crafted Lincoln professional vehicle, and includes all of the quality for which Eagle is known.

The MKT Kingsley features a beautifully-appointed rear compartment, vinyl interior and trim, and a casket floor that measures 122-inches long and 41.5-inches wide.

Eagle includes a short rear bumper protector and a quick-release adjustable bier pin.

The MKT Kingsley comes standard with a skylight to illuminate the rear compartment.

An open church truck well with a lift-up door provides a clean, spacious appearance.

The interior landau trim panel features decorative carved wood elements for an elegant and sophisticated look.
